NDM Highlights

8 servings ⌚ 40 Minutes

INGREDIENTS

2 – 3 chicken breasts
1 tbsp salt
1 tsp lemon pepper
1/4 c olive oil
2 – 3 cloves garlic, minced
1 tsp onion powder
1/2 cup crushed walnuts
1/2 sweet onion, diced
2 celery stalks, diced
1 tbsp dill, minced
1/2 c dried cranberries
1 cup mayonnaise
1/2 c sour cream
1/2 tbsp Dijon mustard
1 tsp onion powder
1 tsp garlic powder
Salt and pepper to taste

DIRECTIONS

1. Preheat your oven to 400 Fahrenheit. Then, in a large bowl, season the chicken breasts with salt, lemon pepper, olive oil, garlic, and onion powder.
2. Place the chicken breasts on a sheet tray lined with parchment paper. Then bake in the oven for 20 minutes.
3. Once your chicken is fully cooked, remove from the oven and let cool. Then shred the chicken into your desired texture. Place in a large bowl and combine with the crushed walnuts, onion, celery, dill, cranberries, mayo, sour cream, Dijon mustard, onion powder, and garlic powder. Mix well. Season with salt and pepper to taste.
4. Serve with crackers and veggies as a dip, or spread onto bread with cucumber and lettuce as a sandwich. Enjoy!
